Estimated Delivery: 2-6 Business Days Warning: Due to the limited edition of this product we cannot honor the 30-day return policy. Ships anywhere in the US in 2-6 business days. Lifetime warranty for the rebounders and stabilizer bar. Quick and simple financing. Ready to go right out of the box. Focus on your workout, not complicated instruction guides with no assembly required. Trust in American made quality. The ONLY Fitness trampoline crafted right here in the states with superior steel and design. We know our trampolines are tough. That's why we back them up with a lifetime warranty. Submit your own reviews atinfo@leapsandrebounds.com These common questions should tell you most of what you need to know about the American Tough Rebounder. The American Tough Rebounder is made from high quality stainless steel with a colored soft coat to bring some color to your rebounder. The Frame is also produced in a single solid piece, with no welding, making it the most stable frame available yet! This solid frame also makes assembly a thing of the past, just screw on the legs and go. Due to the weight and size of our American-made trampoline, shipping costs are substantial. As a result, we are unable to accept returns on this product. However, we want you to be fully confident in your purchase. Please reach out to our customer support team before purchasing if you have any questions about the product specifications or compatibility to ensure it's the right fit for you. No problem, our 48 inch Stability bars fit perfectly onto the American Tough rebounder. Check them out in our accessories section today! The key difference between the American and the Originals is that the American features a professional-grade, single-piece carbon steel frame proudly made in the USA, seamless welds for a sleek finish, and durable powder coating in four limited-edition colors, while the Originals may have a different construction and finish. The American also boasts superior stability and strength, supporting up to 330 lbs, with no assembly required beyond attaching the legs. Get your bounce on! Try Leaps & Rebounds for 30 days and see how you feel! If you don't absolutely love it, for any reason we'll refund your money!
